Kayum Khan Sayal

FULL STACK DEVELOPER

BILARA, JOODHPUR | 6378492842 | kayumkhankks45@gmail.com

Objective

Motivated Web Developer with extensive knowledge of web development, design, and coding as well as experience in a wide range of programming languages, frameworks and tools. Proven success in developing and deploying applications, websites, and web applications. Highly organized and detail-oriented, with a knack for finding creative solutions to challenging problems.

As a MERN stack developer, my aim is to use my technical skills to create robust web apps using various technologies. I want to work in multidisciplinary teams and stay updated with the latest technology to provide excellent solutions for clients and the users as well.
